

Spring Street Sweep Begins!

We're freshening up our community and preventing drainage issues by clearing away leaves, sand and debris from our roads. Crews sweep Monday to Friday between 4 a.m. and 10 p.m.

April to June

- ✓ Download the free Sweep&Plow App to get alerts to move your car or sign up for notifications at Regina.ca/sweep
- ✓ Watch for bright orange signs in your neighbourhood.
- ✓ Remove your car from the street that day. Offer to share driveways with neighbours if possible.

The sweep is weather dependent.
Watch for updates through the Sweep&Plow App or online at Regina.ca/sweep

Show your storm drain some love.

Check to make sure your storm drain is free of ice, leaves, debris and litter this spring. Doing this will help the melting snow move freely into the storm system and prevent ponding and/or flooding.

Remember to
protect our creeks
- only spring rain
in the drain!
